Investigators Determine Vehicle Caused House Fire

November 10, 2008 (ROANOKE COUNTY) – Fire Investigators have determined that an electrical failure of a the main wiring harness of a 1990 Chevrolet Silverado Pickup Truck caused a fire that spread to a house in the 5900 block of Sierra Drive last Friday afternoon. The fire also caused damage to two other vehicles, a detached garage and a neighboring house. Damage estimates are at \$146,000.

Roanoke County Fire and Rescue Department is committed to providing quality fire and emergency medical services to the citizens and visitors of Roanoke County, Virginia.
