On store surveillance footage the man can be seen removing a pair of \$2,500 (25-hundred dollar) binoculars from a display shelf and placing them in the front portion of his clothing. The man then exits the store about ten minutes later. The suspect is wearing blue jeans and a light colored shirt with what appears to be pink horizontal stripes under a dark colored jacket. The man is balding and has what appears to be a partial thin beard. When the suspect is located he will be charged with grand larceny because of the dollar amount involved in the theft. The dark green binoculars are made by Swarovski and are valued at \$2,500.
