

Hollins Area Transportation Projects

Below is a list of current transportation projects with construction underway or expected over the next few years:

- 1. Plantation Road Bicycle, Pedestrian and Streetscape Improvement Project, Phase 1** (under construction with completion anticipated summer 2018)
A pedestrian and bicycle shared use path is being constructed on the west side of Plantation Road from Williamson Road to Walrond Drive. Street trees, curb, gutter, and storm drains are also part of this project.
- 2. Lila Drive Turnaround** (construction 2018)
A turnaround will be constructed at the end of Lila Drive to facilitate acceptance into the VDOT Secondary Road System.
- 3. Williamson Road/Peters Creek Road Pedestrian Improvements** (construction 2020)
Bicycle and pedestrian safety improvements will be constructed along the west side of Williamson Road from Peters Creek Road to the south along Williamson Road. Pedestrian signals and crosswalks will be installed at the intersection of Peters Creek Road and Williamson Road.
- 4. Lila Drive Intersection Safety Improvements** (construction 2021)
A traffic signal will be installed at the intersection of Plantation Road and Lila Drive which will include pedestrian signals and crosswalks to connect to a shared use path along Plantation Road. Approximately 420 feet of Lila Drive will be reconstructed in order to relocate the Harris Corporation entrance from Plantation Road to Lila Drive.
- 5. Williamson Road Pedestrian Improvements** (construction 2021)
Sidewalk will be constructed on the north side of Williamson Road, between Peters Creek Road and Plantation Road. This project will connect between planned improvements at the Peters Creek Road intersection and existing improvements at the Plantation Road intersection.
- 6. Plantation Road Bicycle, Pedestrian and Streetscape Improvement Project, Phase 2** (construction 2024)
Sidewalk, curb, gutter and drainage systems will be constructed between Walrond Drive and Gander Way, on the west side of Plantation Road. Pedestrian signals and continental crosswalks will be added to the Gander Way/Friendship Lane traffic signal. The Walrond Drive/Plantation Road intersection will be widened and realigned to provide a turn lane and improve sight distance for drivers turning out of Walrond Drive. Street trees will be planted along the project.
