C.O.P.S. CAMP

Challenging Opportunities for Police and Students

The Roanoke County C.O.P.S. Camp is a collaborative effort between the Roanoke County Police Department, Roanoke County Police Foundation and Roanoke County Parks and Recreation. Our main focus is having FUN!!! We emphasize teamwork and safety to give each young participant an experience they will not soon forget. Any rising sixth, seventh, or eighth grader in a Roanoke County School is welcome to apply for a camper's spot.

A total of 30 camper slots are available. The school resource officer for your child's school will review the application to endorse the application. Selection will be based on citizenship, character, trustworthiness, and being in good standing within the school.

Currently registration is open to all Roanoke County students that are rising sixth, seventh, or eighth graders. Registration will end on May 20th, 2022. The cost to attend the week long camp is \$100.00.

Proper camp attire is all you are required to bring. We provide the food, excitement, fun, and new friends. Each camper will be mentored by a Roanoke County Police Officer through the many activities at Camp Roanoke. Contact your school resource officer for further information.

Please complete the registration to the right. Additional information and complete enrollment forms will be mailed by Camp Roanoke to the home address and email listed on the registration in May.

This is a day camp where the campers have to be dropped off and picked up each day of the camp. Campers can be dropped off at Camp Roanoke between 7:30 am - 9:00 am, and MUST be picked up by 4:00 pm. Camp Roanoke will also provide transportation via bus from Tanglewood Mall. Morning drop off at the bus stop will be 8:00 am – 8:20 each morning. Pickup in the evening at Tanglewood Mall will be 4:40 pm – 5:00 pm.

Registration and payment for COPS Camp must be received by your child's SRO at their school by May 20th 2022. You also have the option of mailing your Registration and payment to:
