

*We're currently drafting the Hollins Center Plan and are excited to share it with you! Our next community meetings will be held in early 2019.*

**Next Steps:** At the upcoming meetings we'll reveal the draft Plan and then open a public comment period. The Planning Commission and the Board of Supervisors will hold work sessions and public hearings on the draft Hollins Center Plan before the Board considers adoption.

#### Other Updates in the Study Area:

Parkside Storage opened at 7544 Plantation Road in July. The new storage facility features a variety of units, RV and boat storage, 24-hour security surveillance and secure documenting keypad entry.

Phase 1 of the Plantation Road Project is nearly complete and the shared use path is already being used! A ribbon cutting will be scheduled soon.

Tru by Hilton, a modern, "digital-friendly" and mid-range hotel with 82 rooms opened at 8161 Gander Way in August next to the newly rebranded Gander Outdoors. A grand opening and ribbon cutting will be scheduled soon.
