IN RE: COUNTY ADMINISTRATOR

County Administrator Don Flanders stated that he is most impressed with the County Seal (logo) adopted by the Board of Supervisors in July, 1968, but shocked to learn that we have no County Flag. Therefore, a display of the County Seal on various colored poster board was presented for consideration of color as background for a flag. The Board unanimously concurred that Kelly green would be their preference. A County flag will be submitted to NACo organization to be placed on display in the headquarters lobby. On motion of Supervisor Terry and a unanimous voice vote, the Board adopted Kelly green as the color for County flags. He also suggested that tie tacks, charms and stick pins with the seal be made available for sale.

Administrator Flanders also reviewed the list of activities for Supervisors and County staff for the month of December.

Administrator Flanders further informed the Board that in reviewing the Supervisors' travel budget, he finds it necessary to appropriate \$2,000.00 to said account to cover expenses to various meetings to which the Board is committed. The following resolution was adopted.
