PUBLIC LIBRARY  
IN THE UNITED  
STATES TO RECRUIT  
PEPPER®, THE  
HUMANOID  
ROBOT

CURVY  
DESIGN ENSURES  
DANGER FREE  
ZONE

## TALKING WITH PEPPER

**Solid Pink Eyes:** Looking at a human  
**Spinning Blue Eyes:** Listening to you  
**Solid Green:** Pepper is talking or thinking  
**Solid White:** Pepper is looking

Say key phrases like “search” or “find”  
for Pepper to look something up.

Pepper can recommend books  
from GoodReads. Just ask!

## WHY DOES RCPL HAVE PEPPER?

The Roanoke County Public Library is  
the first public library in the United States,  
and among the first in the world, to recruit  
Pepper, who is one of the most advanced  
humanoid robots on the market today.

And this is only the beginning. We want  
to be your place for technology firsts.

***WE’LL MEET YOU AT YOUR WONDER***
