

Plantation Road Transportation Project Updates

This email is intended to update residents, businesses and others interested in the status of funded transportation projects in the Hollins area.

Lila Drive Intersection Improvements

Construction will begin on or around May 4th (weather permitting) to install a traffic signal at the intersection of Plantation Road and Lila Drive. Pedestrian actuated signals and crosswalks will be included to connect to the Plantation Road shared use path.

[Sowers Construction Company](#) was awarded the contract. The project should be completed by December.

Contact Chad Corns, VDOT Construction Project Manager, with project questions at (276) 692-8652.

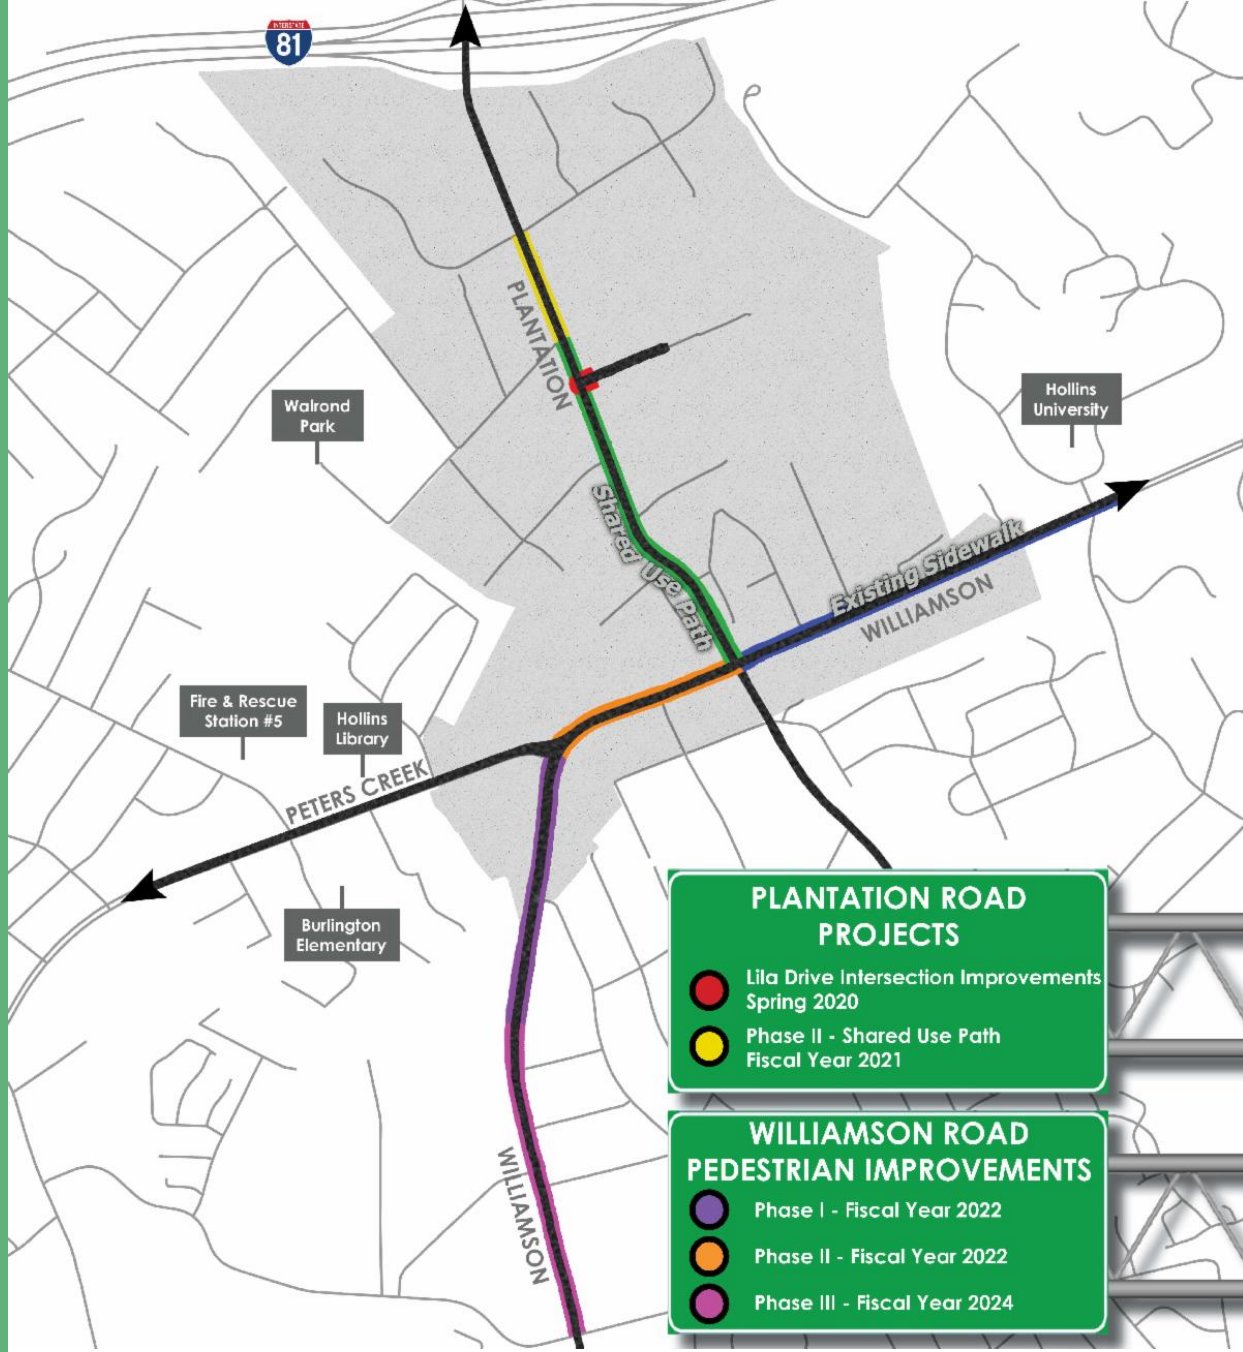

Plantation Road Bicycle, Pedestrian and Streetscape Improvements, Phase 2 (Walrond Drive to Gander Way)

The Right-of-Way phase has opened on this project, which means that utility relocations can begin. This project is on schedule to start construction in 2021.

The scope of this project includes constructing sidewalk from Walrond Drive to Gander Way, realigning the Walrond Drive intersection and installing pedestrian actuated signals and crosswalks at the Gander Way/Plantation Road/Friendship Lane intersection.

Hollins Area Transportation Projects

The map below shows the location of the two projects described above, as well as funded projects located on Williamson Road. For additional information, see our [Transportation Story Map](#).

Reimagine Hollins

LEARN. WORK. DINE. PLAY.

PUBLIC HEARING

Tuesday, May 5 | 7:00 p.m.
