

Plantation Road Bicycle, Pedestrian and Streetscape Improvement Project Update

This email is intended to update residents, businesses and others interested in the Plantation Road Project on the status of construction. The project is anticipated to be completed in June 2018.

Construction Activities

Below are several construction activities that have been completed or are underway:

- Old utility poles have been removed;
- Water line installation including crossing Plantation Road to Lila Drive (lane closures between 6 p.m. and 6 a.m. on September 20 and 21);
- Sewer line installation;
- Curb and gutter installation; and
- Storm drain installation.

Upcoming activities include:

- Retaining wall work;
- Grading for additional curb and gutter and the shared use path.

Unless otherwise noted, construction is taking place between 9 a.m. and 10 p.m. with lane closures in place during non-peak hours.
