

Halloween Safety Tips

Brought to you by Roanoke County Fire & Rescue and
the American Academy of Pediatrics (10/09)

ALL DRESSED UP:

- Plan costumes that are bright and reflective. Make sure that shoes fit well and that costumes are short enough to prevent tripping, entanglement or contact with flame.
- Consider adding reflective tape or striping to costumes and Trick-or-Treat bags for greater visibility.
- Because masks can limit or block eyesight, consider non-toxic makeup and decorative hats as safer alternatives. Hats should fit properly to prevent them from sliding over eyes.
- When shopping for costumes, wigs and accessories look for and purchase those with a label clearly indicating they are flame resistant.
- If a sword, cane, or stick is a part of your child's costume, make sure it is not sharp or too long. A child may be easily hurt by these accessories if he stumbles or trips.
- Obtain flashlights with fresh batteries for all children and their escorts.
- Teach children how to call 9-1-1 (or their local emergency number) if they have an emergency or become lost.

CARVING A NICHE:

- Small children should never carve pumpkins. Children can draw a face with markers. Then parents can do the cutting.
- Votive candles are safest for candle-lit pumpkins.
- Candlelit pumpkins should be placed on a sturdy table, away from curtains and other flammable objects, and should never be left unattended.

ON THE TRICK-OR-TREAT TRAIL:

- A parent or responsible adult should always accompany young children on their neighborhood rounds.
- If your older children are going alone, plan and review the route that is acceptable to you. Agree on a specific time when they should return home.
- Only go to homes with a porch light on and never enter a home or car for a treat.
- Because pedestrian injuries are the most common injuries to children on Halloween, remind Trick-or-Treaters:
 - Stay in a group and communicate where they will be going.
 - Carry a cell phone for quick communication.
 - Remain on well-lit streets and always use the sidewalk.
 - If no sidewalk is available, walk at the far edge of the roadway facing traffic.
 - Never cut across yards or use alleys.
- Only cross the street as a group in established crosswalks (as recognized by local custom). Never cross between parked cars or out driveways.
- Don't assume the right of way. Motorists may have trouble seeing Trick-or-Treaters. Just because one car stops, doesn't mean others will!
- Law enforcement authorities should be notified immediately of any suspicious or unlawful activity.
